# **Essential Information**

# (i) Passports & Visas

It is your responsibility when travelling or transiting on your journey to ensure that you have valid passports, visas, ESTA (USA), eTA (Canada, New Zealand, and The United Kingdom are some countries allowing travel via eTAs for Australian passport holders) and re-entry permits which meet the requirements of immigration and other government authorities. If you need information regarding visas and other travel document requirements (i.e. ESTA or eTA eligibility) for your trip, please ask your travel consultant for assistance.

Please note that many destinations require a minimum of 6 month's passport validity from return date. Please let us know if you have less than 6 months validity on your passport and we can confirm requirements specific to your travel arrangements.

Many countries require passport information to be included in itineraries prior to travel. We want your travel experience to be as smooth as possible and request that passports for all travellers be presented to your consultant prior to departure.

# Visa Advice

Visa Not Required

## Important Information

Some countries allow Australian passport holders to enter without a visa for a limited time. Each destination has its own rules, so it's best to check the CIBT website or contact the country's consulate directly to confirm the details.

For most countries the traveller must:

- · Hold a passport valid at least six months beyond the period of intended stay with one blank visa page
- · Hold proof of sufficient funds
- · Hold proof of confirmed onward/return airline tickets
- · Hold documents showing proof of purpose of trip
- · Hold all documents required for the next destination
- · Hold a visa for the next country, where applicable
- $\cdot$  Confirm with their airline that boarding will be permitted without a visa as these conditions are subject to change

If you don't meet the eligibility criteria, you may need to obtain a visa before departure. It is your responsibility to confirm these details as early as possible.

Visa and passport rules can change, so please reconfirm requirements closer to departure via the link above or with your travel consultant.

Many countries require at least 6 months' passport validity from your return date. If your passport has less than 6 months' validity, let us know so we can advise accordingly.

Non-Australian passport holders may have additional re-entry requirements. Dual passport holders or those using travel documents must also check for any extra visa conditions and notify us promptly.

Booking Note 16 Sep 2025

#### **General Terms and Conditions**

We believe it is important for you to consider taking out appropriate travel insurance to cover your travel arrangements. Insurance cover offered by credit card companies or reciprocal medical cover agreements may not be comprehensive or suit your needs – we recommend you carefully check the cover and benefits and consider whether it is necessary to purchase additional travel insurance. Insurance that covers various aspects of your travel, such as cancellation, overseas medical and repatriation expenses, personal injury and accident, death, loss of personal baggage and money, and personal liability can be beneficial.

Travel insurance is strongly recommended by the Department of Foreign Affairs and Trade for all travel. Your travel consultant can provide general information to you about travel insurance. For details of the services that travel insurers provide, including a quote, please refer to the travel insurer's Combined Financial Services Guide and Product Disclosure Statement ("Combined FSG/PDS") and Target Market Determination ("TMD").

We are an authorised representative of Europ Assistance Australia Pty Ltd (ABN 71140219594, AFSL 552106) ("EAA") and receive financial and non-financial benefits when you buy travel insurance products through us from EAA. We and EAA are authorised to arrange travel insurance products on behalf of the insurer, Mitsui Sumitomo Insurance Company Limited (ABN 49 000 525 637, AFSL 240816) ("MSI"). EAA holds a binding authority from the insurer, MSI to issue contracts of insurance and to deal with or settle claims on MSI's behalf and as MSI's agent. Any recommendations made about insurance is general advice only and doesn't take account of your particular needs and circumstances. You must read the travel insurer's Combined FSG/PDS and TMD before you decide to buy the travel insurance product you are considering purchasing to ensure that it meets your needs and financial situation. The Combined FSG/PDS also contains information about the conditions, limits and exclusions that apply to the insurance, the Cooling Off Period, and how you can access privacy policy and complaints handling procedures.
